Teelie Turner's goal in recording the many events in her magical world of fairies is to use them as an easy-to-accept tool for teaching life lessons. Adults enjoy reading the stories and enjoy sharing them with their children. The author takes her appreciation of fairies a step further with her hobby, creating miniature fairy gardens. She began her fairy garden work in 2014 and offers details in a website, https://www.teeliesfairygarden.com/

Teelie Turner lives in the Pacific Northwest. When she is not busy reporting the adventures of the magical fairies, she enjoys real-world gardening, interior decorating, tennis, boating, and spending time with her husband.
