

In the days leading up to Valentine's Day, there are many wishes happening in the world. Several years ago, Fairy Headquarters recognized the need to hire someone to look after wishes made at Valentine's. The fairy they chose as the Valentine's Wish Fairy was Wista and she took her role very seriously. She was very organized and had a logical mind.

*In the days leading up to Valentine's Day, there are many wishes happening in the world.*

Remember, someone cares about you
